A guide to the collection

SCOPE

This separate Food & Beverage edition includes all 56 company folders across eight supplied source categories. The More F&B; / Equipment section follows the original Etc grouping, covering prepared foods, nutrition, sourcing services, tableware and cooking equipment.

SOURCE MATERIAL

Company introductions and imagery are adapted from the 63 supplied files. Each company entry links to its Google Drive source folder. Event information follows the supplied KBEE 2026 Melbourne introduction. The page design follows the Beauty edition.

PRODUCT SELECTION

Products shown are representative selections from supplier materials. Source-folder groupings are retained for completeness and do not imply that all products share the same use or buyer profile.

BUYER CONSULTATIONS

Availability, ingredients, specifications, packaging and commercial terms can be discussed with each supplier. Descriptions summarise the supplied portfolios; product claims are not independent endorsements.

Source snapshot: 18 September 2026
